Dear

**Great Glen Neighbourhood Plan,**

Thank you for commenting on the Neighbourhood Plan. We are in the process of analysing the comments and deciding what amendments are needed to the Plan prior to submission to HDC.

As a Parish Council, we believe that the modifications in the revised neighbourhood plan are relatively minor. Although a site is allocated for residential development, it is only for 10 dwellings and in the context of the volume of development within Great Glen over recent years this is not considered to be either significant or substantial. Other policy areas are updated with greater evidence than was originally available.

If you wish to comment on this statement about the significance of the Plan modifications, please contact me by 15<sup>th</sup> March 2019 and we will incorporate your comments.

Yours sincerely

Lesley A Sanderson  
Clerk to the Parish Council.
